

Membership Benefits

Networking – Opportunity to network and exchange ideas with industry friends & colleagues at association events! (Reduced pricing to events as a KNLA member.)

Education – KNLA hosts two premier annual education conferences for the green industry. Both our Summer Retreat and Spring Training events are designed to increase the knowledge of our growers, retail operators, landscapers, and other professionals in the green industry from topics such as nursery & greenhouse production, business management, pest management, garden center/landscape maintenance, landscape installation and design, business management, and personnel training.

Expositions – KNLA sponsors the Marketplace in early September and the Showplace at the end of January. Both venues offer buyers a place to source goods and services for their businesses in 2 major markets in Kentucky and also offer vendors a venue to showcase and market their products/services to new and existing customers.

Advertising – Market your products and/or services through our bi-annual printed, full-color magazine, “Nursery Views” or on our website via a web banner. **As a KNLA Member, your company receives a complimentary listing on our website in the membership directory that is located on our homepage under “Find and Expert for Your Next Project!”.**

Legislative – Grassroots lobbying to protect your interests in the state legislature and on a national level through American Nursery and Landscape Association’s Lighthouse Program (*automatic enrollment for active members*).

Certification Program – Members have an opportunity to earn their designation as a **KY Certified Nurseryman**.

Membership Plaque and decal to display in your nursery, garden center, or office.

Access to 2 printed issues of KNLA’s magazine – *Nursery Views* and KNLA’s E-NewsBriefs.

Access to affordable healthcare & property & casualty insurance and merchant services– call KNLA for more details!

Also be a part of an organization that sponsors scholarships and endowments – Robert E. McNiel Horticulture Enrichment Fund, Tom Groves Scholarship Fund, Charles E. Wilson Scholarship Fund, FFA Foundation (Nursery Operations Award), UK Horticulture Club, UK Nursery/Landscape Program Fund, and AmericanHort’s Horticulture Research Institute!

Dear Potential KNLA Member,

The Kentucky Nursery and Landscape Association has been an integral program since its installation over 80 years ago. The KNLA provides a vast social network for its members, through an exceptional trade show, summer outing, and tremendously helpful continuing education programs. Through these services, the KNLA allows for expedient passing of horticultural knowledge and new technology between its members and the communities in which they live and work. Being able to share our knowledge, as professional nurserymen, distinguished landscapers and horticulturists, is a great and invaluable resource.

The KNLA's many resources and benefits are countless, but one of its greatest attributes is its ability to allow its knowledgeable and talented members to be able to rise above in their chosen fields, to excel in their professions and to develop a higher level of quality in their end products.

The work that the KNLA does is outstanding and its dedication to serving its members, raising the bar on the professional standards of our great industry and spreading valuable horticulture knowledge on a state-wide level that cannot be matched. **So please show your support to the KNLA and allow the KNLA to continue its great work in serving you by joining membership with KNLA!**

Sincerely,
KNLA Board of Directors
